

Adobe Basel: Open Source at Work

Bertrand Delacrétaz
@bdelacretaz, grep.codeconsult.ch

Principal Scientist, Adobe Basel
Apache Software Foundation Member and Director

GIBM event, Pratteln, January 2015

● Day

Got the right stuff and the wrong clothes?
Welcome to Day.

this was 2008...

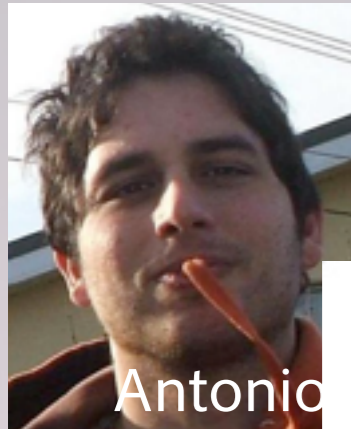

Changing the world through digital experiences

Approx. 12k employees, >4 billion \$ revenue, >70 offices, >40 countries

Open Source Open Standards

TM

The Apache Software Foundation

Community-led development since 1999.

501(c)(3) charity, volunteer organization

Apache License 2.0(business-friendly)

**~200 projects, >3'000 committers,
~400 members, 9 directors**

No technical roadmap at the Foundation level (a.k.a "board, shut up!")

Yearly budget around \$750k

No offices, (almost) no meetings

The purpose of the Corporation is to engage in any lawful act or activity... including the creation and maintenance of "open source" software distributed by the Corporation to the public at no charge.
